

Overflow lab

1. Navigate to \\cs1\Classes\Comp170 then copy OverFlow.exe to your windows desktop.
2. Start Overflow
3. Enter the Validate Date flow chart you completed for homework.
4. Click on the start terminator then press F10 repeatedly to execute your flowchart.
5. Ensure that it functions correctly.
6. Save your flowchart as "Validate Date.flo".
7. Login to Easel at <https://cs.harding.edu/easel>
8. Choose your class, the Validate Date Assignment, then upload your file.
