

## Nicholas Christakis: The Sociological Science Behind Social Networks and Social Influence

Comp 475

10 points

Each of you will need to write three questions that you think would make good questions on our next exam. You will also provide the answers. I will select some of the best questions that you submit and put them on the exam.

If you are not in class on Thurs, you can still watch the video on your own time and submit your questions, but you will take a 2 point deduction on the assignment.
