

2D Design: Test 1, Sample Quiz

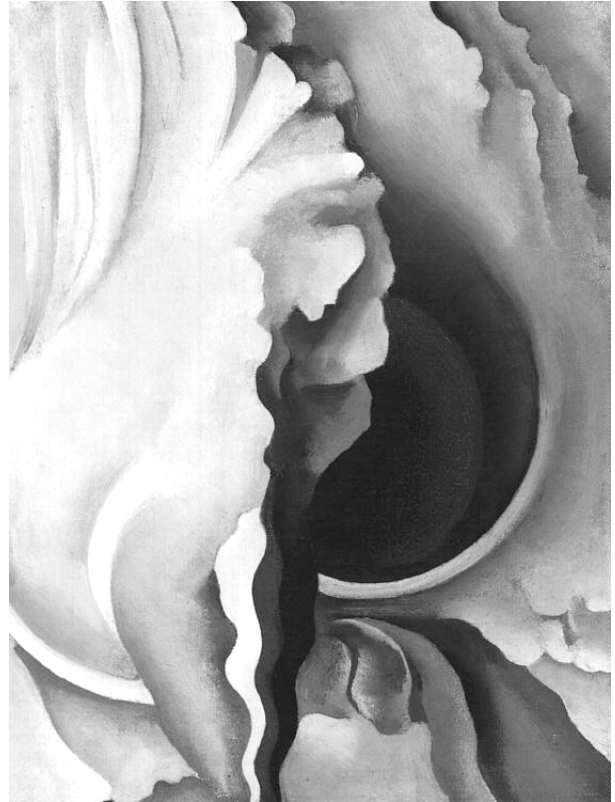

Name: _____

Several slides will be shown. Each will be displayed for a set period before the next slide appears. The slides *will rotate* — that is, each image *will be shown again* after a few moments.

Slide 1 Harmony: an expressive balance of uniformity and variety

A) Discuss, describe and/or illustrate how the artist/designer has unified the features of this design.

B) Discuss, describe and/or illustrate how the artist/designer introduced variety into this design.

C) Describe clearly, and/or sketch a major focal area in this image/design.

C) What traits of line, shape, position and contrast have been used to establish the focal area?

-
1. — Name of Stage:
— Focus, purpose or goal of this stage:

-
2. — Name of Stage:
— Focus, purpose or goal of this stage:

-
3. — Name of Stage:
— Focus, purpose or goal of this stage:

-
4. — Name of Stage:
— Focus, purpose or goal of this stage:

-
5. — Name of Stage:
— Focus, purpose or goal of this stage:

-
6. — Name of Stage:
— Focus, purpose or goal of this stage:

-
7. — Name of Stage:
— Focus, purpose or goal of this stage:

-
8. — Name of Stage:
— Focus, purpose or goal of this stage:

-
9. — Name of Stage:
— Focus, purpose or goal of this stage:

What are four specific types of concept statements that we've explored?

Describe the focus, purpose or emphasis of each type of concept statement.

-
1. — _____ Concept
— Focus, purpose or goal:

-
2. — _____ Concept
— Focus, purpose or goal:

-
3. — _____ Concept
— Focus, purpose or goal:

-
4. — _____ Concept
— Focus, purpose or goal:
