

# BFA VISUAL ARTS STUDIO

The Bachelor of Fine Arts in Visual Arts Studio degree program is designed for aspiring professional artists who expect a solid foundation in the principles and practices of visual expression, as well as freedom to develop depth in creative concentrations specific to a unique artist's vision and language.

All students complete the university wide Liberal Arts core and the foundational Art Core courses.

Each student selects areas of concentrated study based on their unique creative vision, their preferred media and their area of professional emphasis. Concentration options are listed below.
