K-12 ART TEACHER

To whom it may concern,

I am writing to express an interest in the current availability for the Kindergarten- 4th grade Art Teaching position. I have enclosed a copy of my resume for consideration. I have multiple years of experience with jobs that required close supervisions and interaction with children of all ages. I am confident that these opportunities, including my prior work with young people, along with my academic training in art and in education make me an ideal candidate for this position and for your school.

I have experience in painting, drawing, multi-media, ceramics and print making. With this well rounded set of skills I will work to create a fun yet educational program for this school.

Thank you for your time and consideration. I look forward to discussing serving your students at Elm Tree Elementary.

Sincerely,

Alecia M. Gutche
