### Experience with art:

I have worked at Glass From the Past, in downtown Searcy, for Susan Nolte.

I am about to graduate from Harding University with a degree in Fine Art.

I have passed Sophomore Portfolio Review, and have set up a senior gallery display.

I had a successful business painting on palette boards as signs for people, but did not have time to continue this business due to school.

I have sold pottery dishes at a local store, The Bible House.

I created a collage of canvases one summer as a mural for a youth group.

I was commissioned to draw coloring pages for Bruce McLarty, President of Harding University.

I have designed t shirts for various events.

**Other experiences:**

I have been a camp counselor for 4 years.

-This entails preparing for devos, getting there early and setting up, conducting the devos, and being in charge of 15-20 teenage girls for a weekend.

I was an Uplift counselor for Harding University for three weeks in the summer of 2015.

-This includes living at Harding in the summer for three and a half weeks, being a counselor of a summer camp for three different sessions.

I traveled to Italy, Spain, France, and England in the summer of 2016.

I was a youth intern for the whole summer, in 2017

I directed a theatrical performance piece for Harding Universities Spring Sing Musical, in 2018
