To Whom It May Concern,

I am writing this letter to express an interest in your current availability for an Art Teacher. I have enclosed a copy of my resume for your consideration. I am currently working on a Bachelor of Art in Fine Art from Harding University and will graduate in May 2018. My studies at Harding as well as other life experiences have prepared me for a teaching position at Ouachita Christian School.

I feel that my past experiences have molded me into the type of person who is motivated and excited to help children learn to be passionate about art and school. While I have not yet held a teaching position yet, I believe that I will add value to your current teaching staff and construct a fresh environment that will promote creativity and increase the students' knowledge and appreciation for art.

I am available for an interview anytime this year. I look forward to meeting with you for a chance to interview for a position. Thank you for your time and consideration.

Sincerely,

Kaeli Miller
